

Maumelle Fire Department Rescue – Pumper for Sale

The City of Maumelle, Fire Department has a 1994 E-One Hush Rescue-Pumper for sale. The vehicle is currently available and will be sold to the highest bidder. The City reserves the right to reject bids considered unacceptable.

The unit is available for inspection at the fire station, 100 Millwood Circle, Maumelle. Inquiries should be directed to Chief George Glenn, 501-851-1337, extension 119.

Bids will be received until 4:00 pm, February 29, 2008. All bids should be sent to Mr. Joshua Clausen, City Clerk at the Maumelle City Hall, 550 Edgewood Drive, Maumelle, AR. 72113.

The vehicle's major operating systems are fully functional. The pumper is a custom cab chassis with seating for eight (8) and a twenty inch raised roof in the seating area. The body has full height compartments on both sides with ground ladders stowed on a hydraulic rack on the right side.
